

2018 OFFICIAL KICKBALL RULES

1. Field:

- [1] The SSA Facility Staff will determine if the fields are playable on a daily basis usually 2 hours before the start of any game. Sometimes it may be sunny & dry, but the fields are just too wet and mushy to play on. It is advised in questionable weather situations for teams to call 315-457-7678 or visit www.cusesports.com prior to leaving for the field. Players will receive a text and/or email message in the event of a cancellation.
- [2] Alcohol is allowed but may not be consumed on the field. **GLASS BOTTLES ARE NOT ALLOWED.** Please clean up After yourself.
- [3] Bases are 65 feet apart. Home-run fences are 150' from home plate.

2. Equipment:

- [1] All games shall be played with an 8.5 inch SSA Official rubber kickball. Kick balls are provided before the start of each Game. Only official SSA kick balls can be used for games. If you would like to purchase a ball for practice they are \$12.00. [2] Metal spikes/cleats are not allowed! **NO EXCEPTIONS**—rubber / plastic bottomed cleats, turf shoes and sneakers are allowed. Boots, sandals, flip flops, bare feet and all other foot wear will be deemed unsafe, and the player cannot play in them. If a player is found to be wearing illegal/unsafe foot wear they will be allowed 1 minute to change.
- [3] Teams are encouraged to wear matching shirts; either team shirts or shirts that are the same color. Outer wear is acceptable but please wear your team shirt over it if possible.

3. Officiating:

- [1] Teams must pay the umpire \$13.00 B & C Divisions—\$20.00 A Divisions before the start of play before each game. Playoff and championship games in all divisions will always have 2 umpires, and teams will have to pay the umpire 20.00 per game.
- [2] The umpire's word is **final**; there should be no discussion of any judgment calls (out/safe, ball/strike). Any discussion of an Error in applying a rule should be civil; screaming and yelling will not be tolerated.
- [3] Umpires & Directors may eject players for unsportsmanlike behavior. **Any player ejected for any reason must leave the park immediately and will be suspended for the following 2 weeks games and must pay the league a 50.00 re-instatement fee before they play in another game.** Subs can't be used for an ejected player. If an ejected player was subbing with someone, neither player can kick but the non-ejected player can still play in the field. Any player ejected from league play twice will be suspended for the season. Any unwanted physical contact with any player, umpire, field monitor or spectator will result in immediate dismissal from the Syracuse Sports Association for life. Umpires will summon law enforcement & charges will be pressed when necessary. Ejected players must leave the park immediately. Game will not resume until ejected player has left the park.
- [4] Any occurrences which are not covered in the rules shall be settled by the Umpire & or Director and noted for later rule updates.

4. Regulation games:

- [1] A regulation game shall consist of 8 innings.
- [2] No new inning shall start after 55 minutes from the scheduled starting time of the game, regardless of the actual start time. If a game runs late, the next game will still get their full 55 minutes.
- [3] A game is considered official once the losing team has kicked 4 times.
- [4] Regular season games may end in ties. If time permits extra innings will be played to break ties. Both teams get to kick. In extra innings both teams will start with runner on second base. This person is the last person scheduled to kick.
- [5] Called games may be played at a future date agreeable to both team captains at a site to be agreed upon. Any games not replayed shall be counted as a tie in the standings.
- [6] The "Away" team shall kick first. The "Home" shall kick second and gets last-at-kicks, in any inning. The Home Team is always listed 2nd on the schedule.
- [7] **Games cancelled due to weather will first be scheduled on the day the league usually plays on. If a make-up game is not possible on the leagues normal night because of multiple cancellations, the game will be scheduled for a weekend day. Games may get cancelled indefinitely, no refunds will ever be issued in case of cancellations due to weather.**

2018 OFFICIAL KICKBALL RULES

5. Number of participants:

- [1] Rosters hold up to 20 players. All players must join their team through an online e-mail invitation. Rosters may be updated any time up to week 5; rosters are then closed. All players must play in at least 2 league games for this team to be eligible for playoff games.
- [2] Players may not sub for a division lower than you normally play. For example, a B division player may not sub in a C division game. C players are allowed to play up. Players can only play on one team on their night for the playoffs, even if their team is eliminated.
- [3] B and C division games have a 10 player maximum in the field on defense; this includes a 7 male maximum. "A" division games have a 9 player maximum, 6 male max. The game will start if both teams meet the 7 player total/2 female minimum. A team can add late arriving players to the bottom of their lineup as they arrive up to a maximum of 10. If a team doesn't meet the 7 player total/2 female minimum after 10 minutes, a forfeit can be declared. If a team has ten or less players in the lineup, all players must play defense.
- [4] A continuous lineup is allowed up to 15 players. For example, if you have 12 players at the start of the game, you may put all 12 in the kicking lineup. At least 3 females must kick in the first 10 spots; if playing with only 2 females, an out is taken no later than the 10th spot in the lineup. Any of these kickers can play in the field at any time as long as you keep to the 7 male max/ 3 female minimum. **IF** a player shows up **after** the game has begun they can be added to the lineup unless you already have 10 players. Then that player can still play **but they have to play the field first and can only sub for one player already in your line up.**
- [5] There is no male/female kicking order rule other than 3 females must kick within the first 10 spots.
- [6] A catcher is not necessary for teams with 7 players or less but is necessary with 8 or more players.
- [7] Players can be substituted for once they have kicked. A kickers spot in the lineup may not change once the game has started.
- [8] An ejected player is removed from the game and cannot be replaced with a sub. Whenever it is that person's time to kick an out will be called. The team must notify the umpire when this out is to occur or their 1/2 inning will be over.
- [9] A 15 run mercy rule will take effect after the losing team has kicked at least 5 times. The home team, if losing, will always get their kicks in the bottom of the inning.
- [10] If a team suspects that the other team is using non-roster players they can request the umpire to do a roster check. The team in question must show their online roster to the umpire (log in on a phone). At this point the player in question, if before week 5 can be added to the online roster or removed from the lineup. After the first pitch has been thrown no roster questions will be heard. Any player in the lineup at that time will be considered a regular for the game.

6. Pitching:

- [1] A legal pitch must rolled underhand in all divisions.
- [2] **B & C Division Pitches:** Pitchers are expected to roll pitches that are easy to kick. Curves, bounces and excessive speed can make, in the umpire's judgment, a non-kickable pitch. Unless kicked, the umpire will call a non-kickable pitch a ball.
- [3] **A Division pitches:** Pitches can be rolled in any matter, at any speed except bounciness and as long as they are underhand. The strike zone in A Division leagues is also extended on each side of home plate.
- [4] The umpire will determine whether the pitch is "kickable". As soon as the umpire decides that the pitch is too fast or bouncy he will announce "Illegal Pitch". The kicker now has the option to not kick it and have a ball called, or kick it, making it a legal pitch, and take the results of the play.
- [5] Pitcher must pitch within 3 feet of the center of the encroachment line midway between 1st & 3rd base. One step over the line is **NOT** permitted as the pitch is released. A multiple step delivery is also not allowed.
- [6] Once the ball is pitched the pitcher may not advance forward until the ball is kicked. Lateral movement by the pitcher is tolerated, as long as there is no encroachment.
- [7] Once the defense is in possession of the ball in the area of the pitchers zone and is not making a play OR once play is over as judged by the umpire time will be called. Base runners can only advance to the base they were going to if unoccupied.

7. Strikes:

- [1] **B & C Division Pitches:** The strike zone consists of home plate along with a line extending 18 inches on both sides of the plate.
- [2] **A Division pitches:** The strike zone consists of home plate and the extended zone.
- [3] A pitch that crosses any part of the strike zone and meets requirements in section 6 will be called a strike.
- [4] A ball kicked foul, not kicked beyond the kicker's line or swung and missed will be called a strike.
- [5] Kickers can be awarded a strike based on the actions of their teammates.
- [6] 3 strikes of any kind; kicker is out

2018 OFFICIAL KICKBALL RULES

8. Balls:

- [1] A "ball" will be called on any pitch not swung at that does not pass through the strike zone.
- [2] A pitch not meeting the requirements in Section 6 will be called a ball.
- [3] Three called balls will result in a free kick. The ball will be placed on or behind the strike line; wherever the kicker chooses. The kicker must kick a fair ball beyond the kicker's line or will be called out regardless of the number of strikes.

9. Foul Balls:

- [1] Position of the ball when touched, not the position of the fielder— determines fair or foul.
- [2] Fielders may reach over the overthrow line to catch foul balls as long as their feet do not touch the dead ball/out of play line. If the ball is caught and controlled before stepping over, the ball is dead.
- [3] The umpire will NOT say fair, but will point towards fair territory. Foul balls will be verbally called.

10. Play Is Over:

- [1] There are 3 ways for a play to end:
 - The umpire decides that no further play will/can happen. Time will be called.
 - The defense has the ball in the area of the mound and makes no attempt at further action. Time will be called and runners advancing at this time will be allowed to continue to the base, if unoccupied.
 - The ball touches or goes beyond the dead ball/out of play line, a player in possession of the ball touches/goes beyond the dead ball line, or over the fence.

11. Outs:

- [1] The kicking team gets 3 outs per inning. An out results due to the following:
 - Three strikes.
 - A ball caught on the fly.
 - Base runner is forced out.
 - Someone called out due to interference or on an appeal.
 - A missing 3rd female player.
 - Base runner is hit with ball while not on base, or while on a base if forced.
- [2] An ejected player will be an automatic out when their spot comes up. You must notify the umpire when their spot comes up. If you do not notify the umpire it will result in the 1/2 inning being over.
- [3] A force out involves the fielder touching the base or runner with the ball before the runner reaches the base that he/she has to advance to. If the 3rd out of the inning is a force out, no runs scored on the play will count.
- [4] There is no infield fly rule; however we do not allow intentionally dropped balls for the purpose of creating double plays. For example with a runner on first base, the first baseman drops an easy fly ball, tags both the runner and base for a double play. Since this violates our good sportsmanship policy, all runners will be called safe.

12. Over throws & Dead Balls:

An overthrow is a ball that has been thrown or kicked by the defense, or deflects off a runner, touches or goes completely beyond the dead ball/out of play line. A dead ball is called. Bases are awarded to the runner as follows:

- [1] A FAIR KICKED ball that goes out of play: 2 bases from the start of the play for all runners.
- [2] An overthrow that goes out of play; runners are awarded one base from the last base that they were at. The direction that they were running does not matter.
- [3] An intentional overthrow, whether thrown or kicked by the defense, in order to stop runners from advancing: 2 bases from the time that the ball goes out of play.
- [4] An overthrow out of play at first base on the initial play on the kicker at first base: 2 bases for the kicker, one base for the other runners at the time that the ball goes out of play.
- [5] 2 runners between the same 2 bases when the ball goes out of play: award is based on the lead runner; trailing runner does not push the lead runner.
- [6] If a caught fly ball is then carried over the dead ball line or the defender touches the dead ball line, the play is dead. All runners advance 1 base.

2018 OFFICIAL KICKBALL RULES

13. Appeals:

- [1] An appeal can be made if a runner misses a base or left early on a caught fly ball. The appeal may be made by any player or coach.
- [2] A "live ball appeal" is made by tagging the base or runner and announcing why you are appealing. Play is live and runners may advance.
- [3] A "dead ball appeal" is made after time has been called. Simply announcing the appeal is all that is necessary. The appeal must be made before the next pitch.
- [4] An appeal that creates a force out, if the third out will negate any legally scored runs on the play.
- [5] If the appeal occurs on a tag up play and results in the third out, any legally occurring runs scored before the appeal will not count.
- [6] If the appeal is for a runner missing a base, and it's the third out, legally scored runs will count if the appealed out was not a force out.

14. Fielding:

- [1] The encroachment line is a straight line running between first and third base. No fielder is allowed over the line until the ball has been kicked. Once kicked a fielder may advance in an attempt to make a play.
- [2] If a fielder does encroach and gets an out, the play is dead, kicker awarded 1st base and no out will count. Forced runners will advance. If no out is made on the initial play, the kicker/runner and any other runners will be protected only to their base.
- [3] If the encroaching fielder touches a kicked ball short of the kicker's line, the kicker will be awarded first base.
- [4] An encroaching player who does not make a play will be issued a team warning. Any subsequent encroachments by any team member will result in all runners being safe. Ball must be kicked.
- [5] All fielders playing in the outfield, must remain in the outfield and may not move towards the infield until the ball has been kicked. The infield can only have 6 players in it to start any play. Outfield area is at least 35' behind the bases. See pg. 9
- [6] Catchers must stand behind the kicker; any interference will result in the kicker being awarded first base.
- [7] Fielders covering first base must be in contact with the white half of the base; stepping only on the orange half will not count as an out. Collisions should be avoided. If you are not making a play, get out of the way.
- [8] A fielder without the ball who impedes a runner, with or without contact, is guilty of obstruction. The runner, if put out, will be safely awarded the base they were heading to. The obstruction call is waved off if the runner had safely reached the base; they can be put out if they attempt to advance.

15. Homeruns & Fences:

- [1] Fielders may reach over the fence to catch a ball. If a fielder has control of the ball before making contact with or jumping over the fence, it is an out as long as they maintain control of the ball.
- [2] Any catch made after the fielder runs into, stretches out, knocks down or jumps over the fence will not be an out. If they end up on the other side of the fence, a homerun is awarded. If they stay inside the park a double is awarded.
- [3] The fences cannot be used in any way to aid a catch or stop the ball from going over the fence.
- [4] If, after a fielder makes contact with the fence, the ball is not caught and remains in play, it is a live ball, runners can advance all they want.

2018 OFFICIAL KICKBALL RULES

16. Kicking:

- [1] All teams must have a written line up to start the game. Failure to have it will result in the 1/2 inning to end.
- [2] **Kickers cannot bunt the ball if up by 5 or more runs. A full kick and leg extension is required. If a kick is declared a bunt by the official the kicker is out. The kick does not have to be fair.**
- [3] While up to kick, if kicking out of order, replace them with the correct kicker; no penalty, keep the ball/strike count.
- [4] If the error is discovered after they kick, they are out, all runners return to their original bases.
- [5] Once the next kicker has completed their turn to kick, the out of order kicker is considered legal with no penalty. However, if their correct turn to kick comes up and they are on base, leave them on base and an out will be called in the line-up (just like when playing a female down.)
- [6] If a kicker kicks the ball before it touches the strike zone line, a delayed dead ball occurs. If the kick results in a caught fly ball, the out counts; no runners can advance. If not a fly ball out, it is an immediate dead ball; strike on the kicker.
- [7] All kicked balls must go **completely** past the kicker's line or a strike is called on the kicker. If the ball is **touched by** a fielder before it gets past the line; it is a dead ball, strike on the kicker. While attempting to touch the ball, if a fielder aggressively knocks/kicks the ball out of play or into the backstop or fence whether over the kicker's line or not, the kicker is awarded 2nd base; all other runners advance if forced.
- [8] Base coaches are allowed at 1st and 3rd base, but must stand outside the dead ball/out of play line when a play is happening. Runners physically assisted by a coach will be called out. If a coach interferes with a fielder attempting to make an ordinary play, the kicker will be called out.
- [9] On a play at 1st base, the kicker/runner must use the orange portion of the base. If there is no play at the base, the kicker/runner may use either side.
- [10] Sliding, either head or feet first, is allowed at 2nd, 3rd base and home plate. The kicker/runner may not slide/dive into 1st base on the initial play. Once reaching 1st sliding/diving back into the base is allowed. Kickers may over run 1st base. Please use caution when sliding.
- [11] A kicker that intentionally makes contact with his/her fair ball for a second time will be called out; dead ball, all runners back to their original base. If the intent was to break up a double play, the kicker will be out and the runner closest to home will be out. Unintentional contact will result in the kicker being called out; play continues.
- [12] Double kicking the ball during the initial kicking motion will be a dead ball, strike on the kicker.
- [13] A pinch runner may be used for an injured kicker, the injured kicker must make it to 1st base. The pinch runner must be the same sex and farthest from being up to kick that inning.
- [14] If an injured player cannot kick, they can be replaced by a qualified substitute as long as the 7 male max / 3 female minimum is not affected. If no sub is available, the spot in the lineup is skipped. Once skipped in the lineup, an injured player cannot return to the game. Playing with two females will result in an out every time the injured female is scheduled to kick.

17. Running:

- [1] When being played on, a runner may deviate 3 feet on either side of a straight path to the base.
- [2] Base runners cannot leave their base until the ball is kicked. If the kick is a pop fly and caught, the out will count and the runners go back to their base and cannot tag up. The defense cannot double up another runner. If the ball is kicked on the ground or lands then it is an immediate dead ball, strike on the kicker and runners go back to their base.
- [3] Runners must touch home plate, not the strike zone line, when scoring. This also applies to fielders making a play at home.
- [4] Runners can tag up, at their own risk, once the fly ball has been **touched** by a fielder.
- [5] Leaving early on a tag up will result in an out if the defense properly appeals the play; see section 13 for details.
- [6] A runner passing a runner ahead of them will be called out; play continues.
- [7] A runner touched by a ball while off base will be called out, with one exception. "Touched" includes throws, deflections, tags and fair kicked balls. The exception: A runner in an upright position, hit in the head/neck area, will be called safe and awarded the base they were going to. They play may be called dead due to player safety.
- [8] A runner, while on base, touched with the ball is safe unless they were forced to advance.
- [9] Intentional contact with the ball by a runner results in a dead ball. The runner is out and other runners return to their starting base; a strike is called on the kicker. If the intent was to break up a double play, the runner closest to home will also be called out.
- [10] Verbal Interference (screaming drop it or anything next to the fielder) is a serious violation of our sportsmanship rule. If a runner does this, they are out and other runners return to their original bases; strike on the kicker. If it is a coach, fan or team bench, the kicker is out, and everybody back. A second infraction will result in ejection.

18. Obstruction /Interference/Collisions:

- [1] During play, players must make every effort to avoid physical contact with the opposing team. Any intentional contact will result in an ejection by the offender.
- [2] Interference is called when a runner makes contact with a fielder about to make a play on the ball. This is the only time that a fielder is allowed in the base line. The play is dead; the offending runner is out, all other runners return to their last base. Verbal interference is also not allowed; see rule 17.10.
- [3] On a play at first base, if an errant throw forces the fielder into foul territory, any contact will be ruled obstruction. If the contact occurs in fair territory, this is interference; runner is out.
- [4] Any collisions at home plate that are avoidable by the runner in the umpires judgment may result in an out or ejection.
- [5] Obstruction is called when a fielder, NOT about to make a play on the ball, impedes the runner. There does not have to be contact; slowing them down or making them go around the fielder is still obstruction. The play is live. If the runner is put out, dead ball; they will be called safe and awarded the base that they would have safely reached.

2018 OFFICIAL KICKBALL RULES

19. Forfeits:

- [1] Forfeit: Teams forfeiting games will receive a loss in the standings and receive 0 Runs Scored and 8 Runs Allowed in the respective standings columns.
- [2] Team receiving forfeit will get 8 Runs Scored and 0 Runs Allowed in the standings. This equals one run per inning that would have been played.
- [3] Teams that forfeit their games must notify us 4 hours before the start of the game. Call 315-457-7678. You can also email info@syracusesportsassociation.com— But you must get a email back confirming your forfeit.
- [4] Teams will be responsible to pay a 26.00 (regular season) and 40.00 (playoffs) forfeit fee to the league before they play in the next game if we are not notified.
- [5] Teams that forfeit 3 games will be removed from the league, no refund will be issued.

20. Schedule & Standings:

- [1] Team schedules are always posted online at www.syracusekickball.com. The bottom team listed is the home team.
- [2] Team standings are updated daily and are always online at www.cusesports.com.
- [3] Standings tie breakers are as follows:
- [4] Wins– Loss– Head to Head—Runs Scored– Runs Allowed– Alphabetical

21. Scores:

- [1] The winning or home team **must** submit their score online at www.cusesports.com within 24 hours of game completion. Scores not submitted within 24 hours of the last regular season game will be considered a tie game.

22. Protests:

- [1] A game may be played under protest. This can only occur if there is a direct contradiction of the playing rules & that contradiction 100% affected the outcome of the game. Protests must be brought to the official immediately and before a new pitch.
- [2] Every attempt should be made to resolve the issue on the field. Officials should review a copy of the rules to verify the rule in question. This should clear up the problem in most cases.
- [3] If either captain still deems that a protest is warranted, the following information must be gathered.
 1. Exact line up from both teams.
 2. The inning the game is in at the time of protest.
 3. Time remaining in the game.
 4. Pitch count on the current kicker.
 5. Position of any base runners.
 6. # of outs.
 7. Score.
 8. Brief explanation.
 9. Both captains must sign the lineup sheets. Once the info is gathered the game can be finished. The protest info will be submitted to SSA Directors, reviewed and a decision will be rendered. If the protest is denied, the result of the game will stand. If the protest is confirmed the game will be re-started from the point of the protest and completed.

23. Roster / Waivers:

- [1] All players must read and comprehend the rules. All players must furnish their information on the team's online waiver/roster, all players **MUST** furnish their email address. Any player that is found to be playing and not on that team's specific waiver/roster, will not be allowed to play the remainder of the game.
- [2] Players have to be on rosters for every team they play on.
- [3] It is the captain's responsibility to see that all forms are completed by their team. All forms are always at www.cusesports.com

24. Rainouts & Cancellations:

- [1] The SSA Facility Staff will determine if the fields are playable on a daily basis usually 2 hours before the start of any game. Sometimes it may be sunny & dry, but the fields are just too wet and mushy to play on. It is advised in questionable weather situations for teams to call 315-457-7678 or visit www.cusesports.com prior to leaving for the field. Players will receive a text message in the event of a cancellation.
- [2] Games cancelled due to weather will first be re-scheduled on the day the league normally plays on. If make-ups are not possible on the normal day due to more cancellations we will schedule them on a weekend day.
- [3] SSA will do everything reasonably possible to re-schedule canceled games, however the weather is unpredictable and some games may be canceled indefinitely. No refunds will be issued in the event of canceled games.

Syracuse Sports Association Zero Tolerance For Poor Sportsmanship

The Syracuse Sports Association was started in the hopes of developing a social organization that at its core has a fundamental belief in sportsmanship, fair play and community building. It is the belief of the SSA that all three of these important elements begin with individual members and extend to entire teams. Furthermore, it is the responsibility of every player, fan and supporter of the SSA to ensure that they do their individual part to promote the core beliefs of the SSA. While the appropriate level of competitive play is expected in the appropriate leagues, it shall be understood that at no time should the Spirit of the game or any player, fan or supporter be made to suffer at its expense. Everyone is charged with the responsibility of developing a bond of mutual respect among all players, adherence to agreed-upon rules of play/conduct, promoting the SSA and for fostering a love for recreational sports. Actions such as taunting in an extreme manner, name calling, excessive profanity, dangerous aggression, intentional fouling, or other 'win at all costs' behavior are hereby strictly forbidden and are considered contrary to both the Spirit of the game and to the Mission of the SSA and must be avoided by all players.

Failure to do so will have severe consequences.

The Syracuse Sports Association has instituted a **Zero Tolerance Policy** for poor sportsmanship, extremely aggressive behavior, trash talking that does not fit within the SSA code of conduct and for any behavior that is "contrary to the Spirit of the Game." Further- more, excessive profanity, especially stemming from disagreements or during taunting will not be permitted and will be considered an example of poor sportsmanship and will be subject to penalties.

ENTIRE TEAMS WILL BE PENALIZED FOR THE BEHAVIOR OF INDIVIDUAL MEMBERS.

Teams are expected to police the behavior of their members for the entire duration of the season at hand regardless of whether or not they are currently playing. Any extreme behavior occurring in the stands, after games or at any later date anywhere SSA members are assembled will be subject to the same penalties. Understand that if any member of a team or person known to be associated directly with that team is ejected from the game or park for any violation or if a person is a constant source of controversy **THE ENTIRE TEAM MAY BE SUBJECT TO PENALTY. Any player ejected from a game for any reason will be fined 50.00 before they can play in another game.** Captains are expected to be the first line of prevention and expected to police their members. If you can- not control a person on or off the field, you are expected to remove them from the SSA for the benefit of your team, fellow players and for the good of the league. If not, your entire team will suffer penalties. No exceptions.

IT IS UNDERSTOOD THAT THIS IS EVERYONES WARNING

SSA Directors will investigate all infractions fairly and aggressively and everyone is reminded of the following fact: as commissioners of this league, we will have final say on all matters. We also reserve the right to consult with anyone we see fit. If warranted, any of the following penalties may be additionally imposed for unsportsmanlike conduct or any behavior that is contrary to the Spirit of SSA Leagues:

- (a) The offending individual may be banned from all future SSA events and will not be allowed in SSA facilities.
- (b) The offending player's team may be further penalized with a 1 week suspension meaning any games scheduled for the following week will be forfeited and the team and its members will not be permitted in SSA facilities for that week.
- (c) The offending team may be dropped from the remainder of the schedule or season. **No refunds** will ever be issued.
- (d) The offending team and any players associated with that team may not again be allowed to participate in the SSA, penalties are not limited to only those listed.

Any violations occurring during playoffs, tournaments or charitable events will be considered the most extreme and teams will be immediately forfeited from the remaining games. Additionally, if that team participates in the next season, they will forfeit their first game 7-0. No team will be allowed to participate in the SSA with 3 or more members from a previously banned team. It is the responsibility of captains to ensure their team is aware of SSA's Zero Tolerance policy.
